Thoughts from Lisa ... NEWSLETTER
AUGUST 2010

Hi Everyone...Well summer is just about done and school is getting started and of course we have a few fun projects on that table. Stay tuned! Keep updated by calling the office weekly 562-902-9838 ext 1. A BIG SHOUT OUT to all of you who participated in Victorious and Water for Elephants it was a lot of fun for many. We have been busy with iCarly, Big Time Rush, Greek and much more. We just got a new feature film with lots of Kids.

-In January 2010 the State of California changed the law for many companies in the entertainment industry. That being said we have finally finished all our new paperwork and have established new rules for Studio Kids effective May 1, 2010. We are accepting all Kids 15 days to 17 years old. All SKM Packets are on our website to download for Free.

For all NEW clients if we book you on your first project there will a one-time \$30.00 processing fee. For all existing clients you will need to download our 'New Studio Kids AGREEMENT' and mail the original to us to become 'active' (no charges). Effective May 1, 2010 all commissions will now be 20% (twenty percent) on all gross monies. Also, there is a \$10.00 photo-processing fee for changing of any new photos (no school photos allowed). Photo-processing fee is waived for 1st timers & if you purchase photos from Kellimac Photography. Effective immediately a Cancellation Fee is established - if you cancel a project and we are not able to replace your child we will bill you the commission lost. Thank you for your understanding!

-Work permits are running slow again, if you want to make a day trip and drive to Van Nuys to process and receive same day! Make sure I get a copy
