

## Tell me all about....STUDIO KIDS Management

We are a Management Talent Listing Company for children. We have been interviewed on "ET-Entertainment Tonight" in May 2003 for the many outstanding children within our company that are featured on many feature films and television projects. Basically, we help manage children from the ages 15 days old to 18 years old in non-speaking, background or atmosphere work.

Many production companies call SKM regarding children for various television shows, feature films, commercials, music videos and some print-work. SKM helps guide you appropriately for your new adventure in the entertainment industry with you and your family. And help protect your family standards and values in future projects that may come your way. SKM has been in operation for many years by Lisa Santillan, a Christian mother of five children, including a set of twin boys of her own.

### WHAT DOES IT TAKE TO BECOME AN EXTRA?

A great attitude and an eagerness to want to learn about the entertainment industry. Since there is no speaking involved – NO classes are needed. You would need a great picture of the child, like a current snapshot from your own camera or from other sources. And you will need a current entertainment work permit and eventually a Coogan Block Trust account. An "Extra" can be anyone! We are always looking for all different types of Kids. When working as an "Extra" we need all ethnicities, shapes, ages, sizes, and unique character looking Kids. Sometimes we will need Mom & Dad's too!

### TWINS, TRIPLETS AND QUADRUPLETS!

Yes, we also specialize in multiples. We have represented a lot of multiples on many amazing projects. Heard of...Dexter, Friends, Scrubs, Desperate Housewives, ER, US of Tara, Life with Bonnie, The Ghost Whisper...those babies came from SKM. Since Lisa, the owner has twins she has a tender approach when working with the most fragile babies and Kids. Studios love multiples because of the "hour" issue. Identical twins, triplets and quadruplets are all welcomed.

### WHAT WILL HAPPEN IF YOU SIGN WITH SKM?

Studio Kids Management is not a Talent Agent or Talent Agency. We are a Talent Listing Management Company! You and your child are about to embark on a new and exciting adventure. We will educate and advise you of your child's career and get them all that they need to start their career as a new young actor. SKM will keep all of your documents needed for your child's career will be in order with the help of the parent or guardian. SKM will keep all documents current and available for production companies who wish to hire you. Studio Kids will take a 20% Management fee.

### WHAT WILL I NEED TO GET STARTED?

**First** – You will need to obtain an Entertainment Work Permit (Free) and must renew them every six months. A current copy will be needed in our office every time. SKM will help you obtain these documents.

**Second** – You will need pictures. We require you send us a least 2# - 4x6 color photos with the child behind a white background when registering. This is the great part you may provide your own pictures from another source or you may either come to our "Meet & Greet/Photo Day" exclusive to Studio Kids only using Kellimac Photography and purchase great digital pictures with them.

### LET'S TALK ABOUT SCHOOL AS AN EXTRA-

Your child will be educated on every set when hired. It is mandatory by law to have all school-aged children in school during a calendar school year. A licensed state certified School Teacher will be hired by the production company who hires your child to have on the set. They will ask each child to bring their appropriate school-work with them to set. Except for summertime and holidays.

### HOW MUCH WILL I MAKE AS AN EXTRA?

When a production company hires a non-union & union minor as an Extra they will pay them \$134.00 minimum for each day they work. If a minor works on a Union background commercial as an Extra they will pay \$323.00 minimum per day. As an Extra they can be hired by production to be a Photo Double or Stand-In, since there is no speaking involved. And that pays a little more. At the discretion of some Directors extra's can be upgraded on any project they wish. All rates are never negotiated by Studio Kids. Production companies set prices for work prior to hire required by SAG, if union.
